

Wrigley - Perfinned
WW/JR

Shown photographically cropped is a business envelope of the Wm. Wrigley Jr. Company, Limited of Toronto Canada. This June 8, 1939 mailing was posted using the 1937 issue of King George VI. The stamp is perfinned WW/JR.

The slogan cancel "Air Mail Speeds Business" should have made the user wonder as the receiving mark at Springhaven was June 17.
